Enclosures:

Ref. No. 3106-1-P.W/44 dated 20th January 1944.

Sir,

Subject: Supply of X-Ray films from the reserve maintained by Messrs. Ilford -Selo(India) Ltd., on behalf of the Government Radiological departments to Dr. H.V. Addappa, Radiologist, Mangalore - Sanction requested

--

As there is difficulty in getting X-Ray films, Dr. H. V. Addappa, Radiologist, the X-Ray Institute, Attavur Road, Mangalore, requests the Superintendent, Government General Hospital, Madras to enlist his name in the list of Hospitals doing X-Ray work so that he may get the X-Ray films from Messrs Ilford Selo (India) Ltd., from out of the stock in cold storage kept by them on behalf of the Government Radiological departments in this Province and paid for already. The District Medical Officer, South Kanara has recommended his request in view of the fact that the above Institute is doing Government X-Ray work relating to the Head Quarters Hospital, and the Lady Goschen Hospital, Mangalore. A*Copy of letter dated 6th December 1943

1943 from Dr. R. V. Addappa furnishing details of films taken by him for a year is enclosed for the information of Government. It will be seen from this letter that his expenditure of films for a year has been very little except in the case of 15"x12".

In view of the fact that the above Institute is doing Government X-Ray work, it is proposed to supply films not more than 1 dozen in each of 15" x 12" and 12" x 10" only (2 dozens in all at a time) from the Government owned Reserve stock with instructions to use them as sparingly as possible and restrict its use for Government work only. He will be instructed to send his indent through the Superintendent, Government General Hospital, Madras and while forwarding it to the Company for compliance, he will be requested to remit the cost of the films immediately into the Local Government Treasury as abatement of charges under "36. Medical (b) Hospitals and Dispensaries (A) Presidency Hospitals - Radiological stores - Cost of X-Ray films General Hospital" and send the chalan to the Government General Hospital, Madras.

Ref Para 14 on Pp 21-22 of G.O.No 2555 dt 15-10-42

As such an arrangement is necessary to enable the Government work being carried out at the Institute, it is requested that the Government will be pleased to sanction the above proposal. The fact that the films supplied must be used for Government work only and should be strictly accounted for will be emphasised.
